EDUCATION

Code Institute / Full Stack Developer
FEB 2022 - FEB 2023

Completed Code Institute's Diploma in Full Stack software Development, an accelerated learning programme in a "digital-bootcamp" format, and credit-rated by University of the West of Scotland. Studied advanced frontend with React.js framework as a specialization.

EXPERIENCE

Bar Manager / Spritmuseum
FEB 2019 - JAN 2022, Djurgården, Stockholm

Position managing the indoor bar as well as the outdoor pier during summer. Managing orders and the beverage selection. Other tasks included coordinating menus with the kitchen, fashioning signature cocktails and producing and fermenting drinks.

Bar Manager / Monks American Bar
JUL 2014 - DEC 2018, Stockholm, Stockholm

Management of a valued craft beer bar with a selection consisting of several hundreds of unique beers. Hosted beer tastings for private bookings.

Factotum / Arholma Nord Archipelago Lodge
AUG 2013 - AUG 2014, Arholma, Stockholm

General factotum for a quaint lodge/hotel in the Stockholm archipelago. Tasks included property management, cooking and waiting, guided tours through a decommissioned military base, outdoor work, cleaning etc.
